HOW A WOMAN GOT READY.
She'd dressed up to go out with him.
"Twice on the topmost floor;
Before the mirror she had posed
A weary hour or more.
At last she started down the stairs,
And he was glad, but then
She tarried on the second floor
To see herself again.
Before another mirror there
She turned and turned and turned,
And took her time and primped as though
She only was concerned.
She patted down and touched up tucks
And felt her fluffy hair,
And rearranged her new "flat" hat
With undiminished care.
And then she gathered up her skirts
And fixed them in her hand,
Coquettishly looked back once more
Into the mirror, and—
Went down another flight of stairs
To the reception-room,
Where he was huddled like a chunk
Of rainbow-colored gloom.
He smiled, as any husband should,
But managed not to speak.
And it was well, for he was sure
He'd waited there a week.
He rose to go, but she advanced
Upon the large pier glass
And back and forth in front of it
Began to pass and pass.
She started with her hat and hair
And gradually worked down,
Inspecting things until she reached
The bottom of her gown.
She caught her skirts again and looked
To see how she'd appear.
And, evidently satisfied,
She said: "I'm ready, dear."
He heaved a sigh (but made it soft)
And headed for the street,
But hearing not the footfalls
Of her Louis XIV. feet
He turned—he staggered and then fell
Against the nearest wall—
She was gazing in the mirror
In the hat-rack in the hall!"

He will have charge of the circulation and carriers, solicit subscribers, advertising and job printing, collect and receipt for accounts, jot down local happenings, and do things to be done generally in every well-regulated newspaper and job printing establishment.

LOST A FINGER.

Maysville Man Met With Accident at Quincy Yesterday.

Mr. William Sproemberg, Jr., yesterday morning lost part of one of his fingers and severely mashed another while his train, local freight No. 64, was at work at Quincy.

He was standing on a gondola loaded with large stone, when the engine struck the car, one of the stones sliding against the side of the car, catching his finger and taking it off.

He was taken to a physician at Quincy, who dressed his hand, after which he came home yesterday afternoon and will not be able to work for several weeks.

It was lucky that his hand was no farther down the side of the car, else it would have been taken off at the wrist.

Catastrophe of the Stomach.
When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causing the glands to secrete much instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by J. Jas. Wood & Son.

Go to Ray's Postoffice Drugstore for Pure Paris Green.

Just About Bedtime

Take a Little Early Riser. It will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by J. Jas. Wood & Son.

Cartmell extracts teeth without pain.

Rev. Father DeBruyne, who suffered a severe attack of appendicitis, has recovered sufficiently to resume charge of his parish at Mayslick.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere. MURRAY & THOMAS.

A Surgical Operation
Is always dangerous. Do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Sumner, S. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by J. Jas. Wood & Son.

Away Ahead of Schedule

At the death of an eccentric citizen in an Ohio village it was learned that he himself had written out and entrusted to a marble cutter the legend that was to be graven on his tombstone. When the lettering was completed the villagers all went out to view the epitaph, and this is how it read—

I EXPECTED THIS, BUT NOT SO SOON.

It is the same way with these 10c, 12½c and 15c Lawns that we are going to put on sale Friday at one price of 7½c PER YARD, and the Mercerized 19c Lawns at 12½c PER YARD—we expected to sell what was left of them cheaper some time this summer, BUT NOT SO SOON. We have a reason. The goods and the prices are what you are after. Leave the reason to us.

INSTEAD of hanging the criminal, it might some times be a good idea to "discipline" the tricky lawyer who defends him.

A boy and a girl, each aged 13 years, were married in Breathitt county recently. Evidently, the Breathittites are taking steps to prevent the depopulation of their county by the feudists.

MORE than \$30,000,000 worth of diamonds and precious stones were imported into the United States during the year ended June 30th, 1903. If this thing keeps up, the time may yet come when Railway Presidents and Bankers can join the Plumber and the Country Editor in wearing diamonds.

THE LEDGER regrets that the mob spirit has manifested itself in the good county of Fleming, than which there is, as a whole, no better community in all Kentucky. But the "law's delay" is very exasperating, especially when the guilt of the accused is so undeniable as it was in the case of the poor wretch who was hung by Tuesday night's mob at Flemingsburg. The laws are adequate to just punishment for every crime in the calendar, and they should be rigidly enforced; but there has grown up in recent years a school of tricky lawyers—pettifogging gamblers in technicalities and every subterfuge known to their art—whose chief aim is to defeat the ends of Justice for the sake of the fee that is back of their efforts. And these are the men who are more responsible than all others for the prevailing disregard of the law.

MORE than forty deaths from lockjaw, caused by accidents with toy pistols, is the record up to date. What a glorious way to celebrate the Fourth of July! And how happy the parents of these boys should feel for their share in the "fun."

FOR allowing his little boy to play on the tramway lines while a car was approaching a man named REINHARD was fined \$4 at a Vienna Court. It's different here. Boys are encouraged to play about the railway cars, in the hope of a big damage suit when they get hurt.

Why doesn't President ROOSEVELT "protest" to the Governor of Kentucky against the massacre of American citizens in Breathitt county? Are they less entitled to protection and sympathy than the Jews of Russia, and isn't their assassination just as diabolical as that of the unfortunate victims at Kishinef?

Doctors say that lockjaw is the most insidious disease known. It requires only 23-100ths of a milligramme of the poison to kill a man weighing 175 pounds, whereas it requires 25-100ths of a milligramme of cobra venom, 54 milligrammes of prussic acid, or 30 to 100 milligrammes of strichnin to do the same deadly work. The tetanus poison is not only the most treacherous in its action, but its bacilli lurk in common places, and may attack any part of the body that becomes wounded. And for the further information of fond and indulgent parents who wish to get rid of their darling boys, it may be stated that the most successful way to introduce this sure-shot poison into the system is by the toy pistol cartridge route. It rarely fails, and when it does the fault is not on the part of either the parent, the boy or the pistol.

Political Pickings

BAILEY THE JOKESMITH.

Louisville Evening Post.

Senator Bailey of Texas means to contest with Mark Twain for the honor of being the great American humorist, and starts off with the following splendid specimen of what he can do: "There never was a time when the patriots throughout the Nation did not and would not rejoice in the triumphs of Tammany Hall."

An inventor has perfected a device by which hand organs and similar instruments using perforated rolls can be kept playing continuously, with no pauses to change the music.

At Valence an old woman named Graf climbed the church tower of the town with a child in her arms, and, following an old superstition, began ringing the bell to stop a storm which was raging. Suddenly lightning struck the bell, killing both woman and the child.

NERVOUS DYSPESIA ITS CAUSE AND CURE

Overwork any organ and it gives out—the stomach is no exception. Ask it to digest anything and everything, at any time in half the time required, and like an over-driven horse, it balks. Nature intended the stomach should have regular hours. A time to work and a time to rest—and when you break up this habit you upset the whole arrangement. The stomach nerves become exhausted, the glands refuse to act, the food does not digest—lies heavy, ferments and repeats. There is pain, gas forms, bloating occurs, the heart becomes irregular and a nervous, irritable feeling sets in. This is nervous dyspepsia and Dr. A. W. Chase's Nerve Pills its cure.

Mr. J. L. Nicholson of No. 508 Limestone street, Maysville, Ky., says: "I was bothered with severe nervousness, sleeplessness, dizziness and indigestion. Hearing of Dr. A. W. Chase's Nerve Pills sold at Chenoweth's Drugstore, I decided to try a box. As a result my nervous system is in fine condition—I sleep well and am no longer bothered with those distressing dizzy spells—my appetite and digestion are fine and I feel generally vigorous. I can't recommend Dr. A. W. Chase's Nerve Pills too highly."

Make Hay While the Sun Shines.

Make all the hay you can. Providence helps them who help themselves. A good high price is offered you for hay. Help yourself by saving all of your grass. MINNIE MOWERS AND RAKES will cut and save anything that grows out of the earth! There is a big difference in mowers. Some cut well but are horse killers. Others run light but rack to pieces in a few short years.

THE LOST IS FOUND! What you have been looking for is a grubbing machine that will not ruin your team.

MINNIE'S GUARANTEE. Is that she will cut anything from bluegrass to briars and run lighter to your team than any other mower made! The Minnie is Bicycle Bearing throughout, high wheels, wide tread, and has a pitman rod 40 in. long. Compare this high wheel, wide-tread mower with others having a 24 inch pitman rod, and it will make them look like 30 cts. badly mutilated. The Minnie Mower is strong where others are weak, and that is in the cutter bar joint. We guarantee the hinge and shoe upon the Minnie to weigh four times as much as the hinge and shoe upon any other mower.

A MINNIE CUTTER BAR WILL STAY IN LINE. We ask you in all fairness did you ever see any other mower that the cutter bar would not drop back out of line? You know full well that when the cutter bar sags back the sections all cut into the guards and the machine chokes continuously.

The Beautiful Minnie Mower has overcome this greatest objection to all mowers.

AN INGENIOUS PATENT. And well worth your inspection is the Foot Lift upon the Minnie Mower. It is a Yankee trick sure; the cutest thing that we have ever seen.

SIMPLE ENOUGH AFTER YOU KNOW HOW. And any of us ought to have had sense enough to have invented it. Listen! One single lever raises and lowers the cutter bar and locks and unlocks the cutter bar when in an upright position! All done with one lever without getting off the seat! Wonderful but true.

THE MINNIE RAKE IS UP-TO-DATE. And we earnestly ask all of you to call and look at the new patents upon both the mower and the rake whether you have any idea of buying or not. Call and see the new patents. Delighted to show them to you.

WE TRADE MOWERS. Bring in your old worn out mowers and we will trade you a new one. We will give you more for your old mower than you will ever get again.

WE HAVE A PLACE FOR OLD MOWERS. Special contract. Competition not on to yet. We can give you three times as much for an old rattle-trap mower as any one else can. TRY US!

A plot among twelve soldiers to avenge the murder of King Alexander is said to have been discovered in Serbia.

The municipal corporation of Dublin voted not to present an address of welcome to King Edward on his arrival in that city.

At Grand Forks, N. D., the family of Joseph Greenwood, a gardener, was chloroformed during the night and robbed of \$3,000 in gold.

A boy of 5 at Perry, Ill., committed suicide through fright after firing his father's gun, allowing himself to be consumed in the flames.

Fifteen moose deer have been liberated in the Adirondack region, New York, for the purpose of stocking the forest with that species of big game.

Private generosity in Salt Lake City is giving the school children the full year of schooling, which the municipal authorities have failed to provide.

Father Lyons, who died in Cincinnati while on a protracted spree, came from Pennsylvania and had been in no trouble with the Church, as he claimed.

The annual loss from the burning of buildings in the United States is about \$135,000,000, not including cost of insurance and the appliances for fire protection.

The Kishineff Relief Committee has received the sum of 192,500 roubles from America and 363,700 roubles from Russia. The total receipts are 736,500 roubles.

Mr. Kearley stated in the House of Commons that the adulteration of milk in London is so great that the people of the metropolis pay the milkmen £30,000 for water.

At Atlanta, Ga., the House of Representatives, by a vote of 89 to 75, killed the child-labor bill, which prevented the employment of children in cotton mills under a certain age limit.

The Russian Government has caused the arrest of eight hundred persons suspected of participation in the massacre of the Jews at Kishineff, and one of the ringleaders has committed suicide.

Correspondence from Tokio indicates that the war feeling is growing. Several meetings of the Japanese Cabinet have followed the report that a secret convention has been signed by Russia and China.

Almost a score of persons were injured by the falling of the large tent at Christian Endeavor Convention in Denver. There were 8,000 worshippers under the canvas when a light windstorm brought it to the ground.

In an interview given in Milwaukee Associate Justice Brewer of the United States Supreme Court says every man who participated in a lynching is a murderer, and the principal participants can be held in any Court of the United States.

In Lynn, Mass., 24,000,000 pairs of shoes were made last year; in Brockton 17,000,000 pairs and in Haverhill 12,000,000 pairs. These three cities, therefore, turned out enough shoes to supply one pair for two-thirds of the population of the country.

John Terrell, a rich farmer near Bluffton, Ind., ambushed his son-in-law, Melvin Wolfe, who had deserted his daughter, and, after wounding him in the leg with a shotgun shot that amputation was necessary, follows him several miles to a doctor's office and kills him on the operating table. He then crows a mob that had formed and surrenders himself to the Sheriff.

Very Remarkable Cure of Diarrhoea. "About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Hockley county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. Wood & Son, Druggists.

Mr. Charles E. Smith has been attending to the business at Pecor's Drugstore the past ten days during the illness and absence of the clever proprietor. We are pleased to note that Mr. Pecor is able to be about again.

CAUTION.

This is not a gentle word, but when you think how little you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years you will be thankful that we called your attention to this cheap German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The size has just been introduced this year. Regular size 75 cents. At Henry W. Ray's, next door to Postoffice.

Amid the Labor Troubles

There is one class of servants with which nobody has any trouble. They are the Life Insurance companies. Wages (premiums) are fixed to begin with and returns are always better than guaranteed. Here is the record of a faithful servant.

The late Thomas S. Kennedy, of Crescent Hill, Ky., left as part of his estate on insurance policy in the Mutual Life Insurance Company of New York for \$10,000, issued May 20, 1888. At the time of his death he had accumulated on this policy, making the total paid by the company \$11,807. The net premiums paid by Mr. Kennedy amounted to \$5,658.85, making the return over cost \$6,148.15.

In writing for terms for a policy of this kind, state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
